
The purpose of the meeting was to review the most recent revision of the Libraries Faculty Evaluation Plan. Vice-Provost Hummert had asked the LFPA to bring the document into compliance with the University template for faculty evaluation plans. Additionally, the Vice-Provost had specific concerns with the document which she wanted to be addressed. The LFPA Executive committee made small changes to the document but did not make substantive changes to the content.

A line-by-line reading was done, with audience members making comments and contributions. Ada expressed appreciation for everyone’s contributions, especially recognizing the comments sent to her by Kathy Graves, Lars Leon, John Stratton, and Lyn Wolz.

At the end of the meeting, it was suggested that a quorum of Assembly members is required to send the acceptance of the revisions to a ballot vote. Ada said that she would schedule another LFPA Open Meeting in hopes of gathering such a quorum.
